credit our account 24-0037 as soon as possible. In the event this needs an explanation, please provide one to the fax number below. \$3834 is a considerable amount to have missing from our account for long, so we appreciate it if you will expedite this request.

An attempt was made to get this corrected, but the phone number provided by Carla in Deposit Accounts was incorrect, and the new number provided by a person who answered 703-308-6816 was 703-308-0910, the general information number. Had I been able to get through on the second number, I'm certain I would not have gotten this problem resolved.

A copy of the appropriate statement page is attached. If there are any further questions, please call me at the below number.

Thank you for your attention to this matter.

Very truly yours,

Elsaine A. Krenitsky
